

National Science Day Celebration

Vigyan Setu Foundation

On the occasion of National Science Day, our Chairperson, Dr Meena Sharma and Managing Trustee, Dr Lalit Sharma were the Guests of Honour at St Xavier's High School, Airoli.

They planted a commemorative sapling.

In addition, the students presented cultural performances followed by science projects. These projects were then judged by the esteemed guests.

Dr Lalit Sharma, then addressed the students sharing finer points on science projects and its presentation.
